## Imagined With Love, Developed With Care

Younger guests are invited to discover a fairytale-like bath experience with our child-friendly guest collection. Gentle, safe, and full of fun, my forest FRIENDS features a story inspired by baby forest animals playing beside the river on a summer's day. This dermatologically tested line encourages both a love of nature and the joy of bathing.

All my forest FRIENDS body care products are formulated with our child-friendly fragrance: sweet and powdery with a fresh floral heart note and a comforting base note.
